

A New Step of MP Government...

MPOnline Portal is the initiative by the Government of Madhya Pradesh, to serve its citizens in terms of providing them with the facilities at their doorstep, in the process eliminating the need for coming to the Government offices and avoid the unnecessary hassles.

With the help of the portal, citizens can avail of the government services (such as, copy of land records, forms for professional examination board, birth/death, caste certificates etc) and can deliver the facilities provided by government/ private sector.

These services can be availed from the designated kiosks of MP Online, cyber cafes and other internet mediums. The documents issued from the portal do not require physical signatures or seals, as they are digitally signed.

The services provided by the portal are fee based and they are shared between the designated kiosk operator and MP Online Limited. The fees assigned by the MP Government will be levied separately. The list for every service will be displayed explicitly by the kiosk operator and he will issue the receipt for the fees. For any queries/ suggestions regarding the services, please contact on:
