Visitors are allowed to move on open vehicles in the Park. One should refrain from teasing or wild animals. Getting off the vehicle and moving on foot is strictly prohibited. First-aid box is a mandatory kit in all the vehicles. Winter garments are advised during the months of December and January. It is always advisable to follow the instructions of the Guide and adhere to the do's and don'ts. Sitting firmly on the seat confined to the vehicle, remaining watchful to the dangling branches, avoiding touching of plants, eating of leaves and fruits, drinking water from the flowing streams and wearing of boots and trousers in the nature trail are always advisable.

41. [I have purchased the ticket for the tiger show. Does it enable me to have a guaranteed sighting of the tiger?](#)

We follow a queue for the tiger sighting on first come first basis. Tickets are issued only after the tiger has been tracked and gets localised. The number of tickets to be issued will depend on the availability of time for the safari. Tiger shows on elephant back are conducted only during the morning safari. Visitors are taken on elephant back and are allowed to view the tiger upto a maximum of 10 minutes. Tiger shows are called off the moment tiger makes a move. Visitors are not allowed to follow the tiger on elephant back and the tickets booked for the safari get refunded.
